

Course Overview

Your postgraduate education is an investment in your own potential. Pursue your MBA with EDUJOY360 - move beyond simply gaining knowledge to acquiring the management skills to adapt, succeed and lead the future of business in a rapidly changing world.

The MBA of EDUJOY360 is fully linked with industry. Every student of the Programme would work under the mentorship of a corporate executive. The student would learn practical side of Management from the corporate mentor throughout the two years of the study. The Internship in industry effectively commences for all students from the first day of their study. While the students internalise management concepts from faculty members, they would get exposed to the practice of management through their corporate mentors.
